Product Information Guide – Duo Manager Recycling Liner Bin

Control of recycling of your household waste with a convenient and practical kitchen and office recycling bin continues with our range of Recycling Liner Manager systems. Available in duo and trio variants, our range of Recycling Liner Managers make the control of your bulk recycling waste simple and effective. The colour coded lids and extremely easy to secure liner frame makes control over the recycling of your household waste easy. Practical applications include office, garage and outdoor siting, emptying the smaller recycle receptacle into the liner manager as a buffer to the main recycling collection.
